BYE	

The diagram illustrates a multi-branching merge scenario. It features a central vertical line representing the main branch. To the left of this line, there are two boxes representing branches. The top box is labeled 'B1' and contains the text 'BYE'. The bottom box is labeled 'B2' and also contains the text 'BYE'. To the right of the central line, there is a single box labeled 'B3' containing the text 'BYE'. A horizontal line connects the right side of the 'B3' box to the central vertical line, indicating a merge operation. The central vertical line continues upwards and downwards beyond the 'B3' box, representing the main branch's history.
